MISSIONARIES TO THE STATE OF UTAH

Jan./Feb. 2022

Hello Praying Friends & Supporters,

This winter has been an unusual one for us. We got a good amount of snow in December and thought our winter would be vigorous with that much snow coming in that early. To our amazement, we haven't seen but a few inches here and there in the first few months here but the temps having been constantly cold. With the cold temps, the snow from December is still on the ground in a lot of places and we are looking forward to the spring weather around the corner.

My family and I had the opportunity to preach/sing in a Soul Winner's Conference in Twin Falls, ID at Cornerstone Baptist Church at the end of January. Pastor Bruce Carlson and the good folks there were very welcoming and the attendance was great each service and session. This church is an active church and is currently planting a work in Shoshone, ID. We pray they unite together and go out in the highways and hedges, compelling and telling people about the saving grace of Jesus Christ!

Pastor Jacob Bogard and Missionary Van Coker came out in the beginning of February to help with a few projects. They came out 8 years ago and helped us remodel the store front so it was a joy to have them back out to see the building God has provided and all He is doing here. These men invested in the church plant in Ogden, UT and helped put up interior doors and built a sound booth/welcome desk. They also helped me do some work in our basement and we are grateful for their time and investment not only on this trip, but over the years. Our plan is to have the Allen Davis Family make the move in May and start the Mt. Ogden Baptist Church in June. Brother Allen has about **90%** of their support and if you are looking to invest in a family and a new church plant, please contact me and I will get you their info.

Brother Ethan Moore, who was doing a internship with us, made the move back East to pray about their next step. Ethan's pastor, Tim McCann, his wife, and one of their deacons, made the trip out here to help them drive and fly back. It was good to see them again and we appreciate their support and friendship. Ethan was with us for 18 months and we appreciate the time we had with him and his wife Heaven. Pray for them for their baby is due in March.

Intermountain Baptist Ministries was busy in February as we made a trip down to Fillmore, UT to knock doors for Brother Ryan Davis. We ordained him in December and he is replanting the Bible Baptist Church. Fillmore is 3 1/2 hours from us and we drove down on a Friday and stayed the night. We knocked doors for about 5 hours and then we worked on the church building doing some electrical work and sheetrock work. We met many people that were lost and several open to coming to the church. The Sunday after we knocked doors, Brother Ryan had 3 visitors from the effort and 7 total in the service!

Vision Week this year is scheduled for May 23rd-26th. I have attached a flyer on our Facebook page and if you would like to attend this conference, please contact me for more info. We are praying for laborers and God is sending them! As He sends them, we want to help encourage and equip them so that the cause of Christ moves forward for His glory! Thank you for all that you do so we can do what God has called us to do!

Because of Christ,
