From Your Heart To The World... Hope Is Born

Horizon of Hope Ministries

Romania/Ukraine

Dr. Marvin E. Lane

December 2023 Issue

ABC Action News Tampa broadcast, "Hope Beyond The Rubble", was nominated for an Emmy. Reporter Wendi Lane, no relation, traveled with me to chronicle our ministry in Ukraine. Traveling to a war torn country with her and a driver/translator, is a testimony to God's protection. With this honor, we are careful to give God all the glory!

Looking Beyond The Politics And Corruption

Debate continues about the war in Ukraine. We look beyond the corruption and see the severe suffering of humanity. Lana, a Ukrainian refugee, came to the Village of Hope with her two children. Lana is a pastor's daughter that needed a safe place for her and her children. She loves our Lord and is faithful to the Ukrainian church located a few miles from our homes. By God's grace, her children have adjusted quickly to their new "home". Your faithful prayers and support enables us to care for them.

Abandoned But Not Forgotten

These beautiful children were abandoned by their mother. Their father, they never knew. Our loving houseparents of 15 years, prepared bedrooms to warmly receive them.

Prayer Request: Winter is upon us. We heat our homes with a boiler system that uses wood as its source of fuel. We need five truckloads of wood. One load cost 1,000.00 dollars. We need 3 more loads.
