

July / August 2019

Dear Praying Supporters,

Finding Where
You Fit in
Missions

Once again we want to thank you for your faithful prayers and support. The summer of 2019 is almost over and we are looking forward to a busy fall. **Speaking of summer, one of the highlights of our summer was working at Camp BIMi.** This camp is held each summer on the BIMi property north of Chattanooga at Harrison, Tennessee. It is designed to help those who are praying about missions and God's will concerning missionary service and church planting. What a joy it was to be part of the staff and to teach and encourage future missionaries, church planters and servants for the Lord.

We have been praying for the metro cities in America and asking God to raise up church planters for the many metropolitan areas that need churches. During July, we attended services at Cornerstone Baptist Church in Spring Hill, Florida, where Richard Rossiter is the pastor. While we were there, we had the opportunity to meet with the Luis Briceno family. Luis contacted us several months ago after reading one of our posts on the Reseeding America Facebook page concerning this need for churches to be started in the US metro areas. He and his family have a burden to plant a church in the city of Miami. We had a great time of fellowship with this church planting family while we discussed the preplanning steps of starting a work in Miami. We are looking forward to assisting Pastor Rossiter and Cornerstone Baptist Church as they send the Briceno family to Miami late next summer.

As we move into the fall, we are looking forward to working with the Andrew Kennard family as they officially open the doors of Cottonwood Baptist Church in Meriden, Kansas, on Sunday, September 22. Meriden is a smaller bedroom community located north of the city of Topeka. Andrew, who is with the Reseeding America Ministry, and his wife Carrie have two children, Clayton and Sierra. This church is a new church plant inside of an existing church building. The entire auditorium has been remodeled with

no debt or mortgage on this property! Please pray as we work with the Kennard family.

Thanks for your prayers and faithful support,

Bob & Jennifer Larson
