ASSISTING CHURCHES IN AMERICA TO PLANT CHURCHES IN AMERICA

January / February 2022

Dear Praying Supporters,

December was fast moving with Christmas church activities, family get-togethers, and new families coming on board with our ministry. Unfortunately, right before Christmas an unexpected deadly outbreak of tornadoes ripped a path from eastern Arkansas to western Kentucky. Immediately we had churches and individuals contacting us wanting to give towards disaster relief. More about our tornado disaster relief efforts later in this letter.

### *2021 In Review*

During this last year, 59 active missionaries with BIMI Reseeding America (this includes 27 couples and 5 single missionaries) were busy planting churches, restarting churches, and working with the deaf as well as reaching various ethnic groups. Many conducted various evangelistic outreach efforts. BIMI USA missionaries conducted ministry in 30 states across America in 2021. Of course, as with most of our country, the effects of COVID-19 had an impact on church attendance in many of our church plants and ministries. Please pray that God will bring people back to the churches!

**We are living in an historic moment!**

Lord, help us reach the mission field in our own towns, suburbs and cities.

### *New Families Join our Ministry*

We always ask people to pray that God would give us laborers for the harvest fields in America. It is a blessing to have new families join our ministry to plant new churches! In our BIMI December Candidate School, Taylor and Lynsey Cranfill (left) and James and Dee Knotts (right) were accepted as USA Reseeding America missionaries. The Cranfills are raising support to plant a church in Chicago. The Knotts have plans to plant a church in Kannapolis, North Carolina. We now have four couples on deputation and God is using them as they travel to challenge churches for United States church planting as well as worldwide evangelization.

### *Tornado Disaster Relief*

As we mentioned earlier in this letter, in December we launched a Tornado Disaster Relief webpage so churches and individuals could assist storm struck churches. We were also interested in financially helping churches who were providing aid and supplies to storm victims hit by the deadly December twisters. Many churches and individuals sent generous financial gifts. We were then able to pass on those donations to churches in the storm hit regions of the country. We were able to partner with churches in Arkansas and Kentucky as they assisted hundreds of people in their regions. Thanks to all who sent funds for this relief effort.

Your partners in the harvest, Bob and Jennifer Larson
