

May/June 2019

Dear Praying Supporters,

At the end of March, we arrived in Phoenix, Arizona. We had the opportunity to visit several of our supporting churches where I was asked to speak and update the churches on the Reseeding America Ministry. There was also an opportunity to check with BIMI Reseeding America Missionary Ron Manuel and his family (pictured at right). The Manuel family started Lighthouse Baptist Church in Avondale, Arizona, back in 2012. Ron had been experiencing some health issues over the last year, so we were very glad to see he was doing better after a short medical furlough. The Phoenix Valley now has 4.5 million people living in it and the need for new churches continues to grow!

This spring, Jennifer was asked to speak at three ladies' meetings. She enjoyed giving her testimony about how God has directed her life and protected and provided for her through the death of her first husband as well as taking care of her with years of service on the mission field in Taiwan. She also shared how we met and what it is like being my partner in this ministry. Also, this spring I had the opportunity to preach a Mother's Day service at Calvary Baptist Church in Trumann, Arkansas, where three people trusted Christ.

In April, we held a four-day BIMI Reseeding America Field Conference in Branson, Missouri. Although several of our

families and missionaries could not attend, we still had the great group that is pictured to the left. Our goal at field conference is to provide encouragement and instruction along with fellowship and solid Bible preaching. Many thanks to Talking Rock Road Baptist Church for being our host church.

It was a joy to have the opportunity to teach church planting to the second-year candidates in our BIMI 2019 Candidate School, which was held the first week of June. The entire school takes place on the BIMI campus located north of Chattanooga. We are thankful for the missionaries and church planters God gives us to train for His service.

**Summer Prayer Requests - Camp BIMI:** where we assist, work, and teach future missionaries and church planters; **A direct mail campaign** for our church planter in Connecticut; **A church plant near Topeka, Kansas**, with one of our Reseeding America families.

Thanks for your prayers and faithful support. God bless you!
