## THE LARSONS

ASSISTING CHURCHES IN AMERICA TO PLANT CHURCHES IN AMERICA

June 2, 2020

Dear Praying Supporters,

I Will Build My  
CHURCH  
Matthew 16:18

The pandemic did not stop us, but it certainly rearranged how we conducted ministry during April and May. Thank you so much for your ongoing support and prayers for our ministry. We want to update you on the things we have been able to do and get done with God's direction and help.

Though our meetings and some projects were cancelled during the shutdown, there were still many opportunities to serve. On numerous days, the phone would ring with a church calling and asking us to assist them in finding a pastor for their church. On other days, a preacher was calling and asking if we knew of churches that needed pastors. It has been a joy to see how God has worked and enabled us

to connect several churches with good pastors amid a pandemic. We also stayed busy trying to encourage our USA missionaries and church planters through e-mails, texts, and phone calls. Getting updates on their ministries was encouraging to us. The majority our USA missionaries were able to preach online. Many of our men saw people saved through a service on Facebook, YouTube or Zoom! We are grateful that our Reseeding America families did not get sick and they are now busy reopening their churches. Please pray for those of our USA missionaries who are working with Native Americans. The death toll on the reservations has been alarming because of Covid -19 and restrictions are still pretty much being enforced or followed.

Before the pandemic, we had been scheduled to teach church planting at Pensacola, Florida, during a church planting seminar at Pensacola Christian College. However, at the end of March the college dismissed classes because of the virus. They contacted us to ask if we could possibly record the classes on video. It took many long days of preparation and recording, but the project was completed and sent to the college and became available through the student portal. As in most colleges, students finished out the semester online.

We are thankful to start back out in meetings and look forward to being able to present and recruit for the Reseeding America Ministry. Please pray with us about the following projects and opportunities coming up this summer and early fall:

- A New Church Plant Miami, Florida - Life Baptist Church where we will be assisting the Luis Briceno family
- Large direct mail outreach – Victory Baptist Church Panama City, Florida
- BIMI Candidate School – teaching church planting
- Camp BIMI – teaching future missionary church planters
