

May / June 2022

Dear Praying Supporters,

The Lord gave us some great meetings in May. We started the month with a mission conference at Victory Baptist Church in Silva, North Carolina. We then preached a revival meeting for Pastor Richard Jacob and the Nashville Baptist Church on the north side of Nashville, Tennessee. (Brother Jacob is one of our Reseeding America church planters.) This new church is doing well and there was a great spirit among his people. From Nashville we traveled south to central Florida to update Countryside Baptist Church in Fruitland Park on our ministry. Pastor John Stricklen and his people have been faithful supporters for over 15 years. We were also able to be with Pastor Mychael Eikenberry and the Countryside Baptist Church in Lake Mary, Florida, for a Sunday morning service. We finished out the month of May with a Reseeding America Sunday at Stanley Heights Baptist Church in East Ridge, Tennessee, during the Memorial Day weekend. This is where we attend church when we are home; Pastor Brent Baughman has been a great encouragement to us over the years.

New Reseeding America Magazine for 2022

In May we finished and sent out a new edition of the Reseeding America Magazine. It has already been well received and we were glad to make it available. In this current issue we tried to include articles relating to our present ministry, but in the middle of this issue we looked back on those unpredictable days of 2021 and how God blessed our church planters during the Covid outbreak. Our theme for this year is taken from the book of Esther 4:14, "For such a time as this." The magazine highlights how God is using our Reseeding America church planters and those restarting churches to impact communities and cities across America for such a time as this. If you are not receiving our magazine, please contact us and we will add your name to the mailing list.

June Candidate School Held June 5-10

We always look forward to our June Candidate School. It not only gives us a time to fellowship with our new missionary church planters who are on deputation, but it is also a time to enjoy having them in the classroom for training. The week is filled with classes, services, and mealtime fellowship. We are thankful for each of our BIMI Reseeding America church planting families. We also look forward to having the opportunity to assist our newest families plant their churches after they finish their training and deputation. Please pray that our new missionary families will have safety on the road as they raise their support and that God will give them passion and power as they present their burden for America.

Scripture Distribution and Outreach in Newnan, Georgia

In early June we helped coordinate and participate in a Scripture distribution at Emmanuel Baptist Church in Newnan, Georgia, where Ben Sprenger is the pastor. Reseeding America and one of our Scripture printing ministries from West Virginia provided the John and Romans and printed flyers for distribution. On June 11, we traveled to Newnan for the distribution. Gospel Light Baptist Church from Helena, Alabama, (Pastor Gary Bohman) brought a good group of workers to assist us in this effort. Emmanuel Baptist also had many ready to distribute. A delicious meal was served to all the workers by the ladies at Emmanuel Baptist. Please pray that God will use the materials that were passed out to reach people for the Lord.

Thank you for your faithful prayers and support,

Bob & Jennifer Larson
