

Dear Praying Supporters,

Greetings from Meriden, Kansas! Jennifer and I are here for a few days to visit with the Andrew Kennard family. Associated with Reseeding America, God has used the Kennards to plant Cottonwood Baptist Church, which just celebrated its 1st anniversary in this community northeast of Topeka.

At the end of August, I flew to Fort Lauderdale, Florida, and then drove to Miami Lakes on the north side of Miami for the opening of Life Baptist Church. The Luis Briceno family were preparing to launch their new church on Sunday, August 30. During the era of COVID-19, church planters have been challenged to find meeting facilities, which are suitable and available for rent. Luis found a golf resort/motel that agreed to lease their facilities to him on a regular basis! A volunteer group also came from Cornerstone Baptist Church, Pastor Richard Rossiter) in Spring Hill, Florida, for the opening Sunday. This is the Briceno's sending church. Literature about the new church was distributed, the meeting place readied, and all volunteers gathered for prayer the night before the opening. The first service went very well! Brother Briceno preached a great message from the book of Ephesians and cast a vision for this new church. Luis reports that the visitors in the first service have been bringing visitors to services at Life Baptist. Please pray for this new church on the Florida metro mission field.

Over Labor Day weekend we were excited to conduct an Every Door Direct Mail (EDDM) campaign for Victory Baptist Church in Panama City, Florida. This church had to be rebuilt after Hurricane Michael. We printed and prepared a promotional mail-out piece for the church with a goal of targeting new subdivisions in the Panama City area. After the church members helped us prepare the mailing, it was sent out with hopes and prayers that the Lord would use the mailers to encourage new families to attend the church.

As we close out this letter, we want to ask you to pray for another new church plant. BIMi Reseeding America church planters David and Terrie Azzarello have just started CrossPointe Baptist Church in Kernersville, North Carolina.

The church got its start in the Triad area of North Carolina on Sunday, September 27, 2020. We appreciate this church-planting couple who have started several churches with our ministry. Pray they can find a permanent meeting place and that COVID-19 restrictions will be lifted in their area.

For Him,

Bob and Jennifer Larson
