Dear Pastor Kelley and Friends,

Thanks be unto God for you and your faithfulness in prayer and support for the work. Thank you for your part in helping us to reach the lost, start churches and train pastors for the work. Since late March because of the pandemic, the closing of the border and the limitations on public meetings by the government we have been in quarantine. However, the work continues. Every Sunday, during the week and for special activities the pastors and churches have continued to broadcast the gospel via the Internet, Facebook, YouTube, Zoom and other means. Through these means we too have been able to preach to our people in the churches. We also have a weekly broadcast via Facebook and YouTube. Souls continue to be saved and baptized.

Pray for Sergio, our Dean of Men, his wife, Vicky and two young sons. Their oldest son, 16 years old, Abiud, was killed Friday, Sept. 3 on a motorcycle by a semi-truck. This has been a difficult time for them, but we know God's comfort and grace will sustain them. Marco, a graduate of last year was with him and was also injured. He is recuperating at home. They were helping with preparations for the opening of the Bible College in September. A few days later over 300 pastors, graduates

and friends participated in a special virtual funeral service via Zoom in memory of Abiud. *"Precious in the sight of the Lord is the death of his saints."* —Psalms 116:15

The Bible school opened September 21<sup>st</sup> with a virtual service due to limitations placed on public meetings by the government. Those present were the Administration, Teaching staff and the returning and new students. Thank the Lord for the new students that began their studies for the ministry this year.

Again, thank you for your prayers and faithfulness. Please continue to remember all in prayer. God bless you. *"Greater is he that is in you, than he that is in the world."* —1 John 4:4.

Thank you for regular and special offerings received Aug-Sept for \$200.00.

Your missionaries,
