Forward By Faith

After losing everything, seeing his family broken down, and spending time locked in prison one reporter asked Adoniram Judson, "What hope do you have for Burma after all of this tragedy?" Adoniram responded, "**The Future is as Bright as the Promises of God.**" He knew that with God's promises he could overcome any challenges, as we trust God's leadership in our lives. Looking at the present situation of our world we see caos, but as we look to God's Word we see hope and opportunities to spread the Good News. As we take the Gospel house to house, we have seen a receptiveness and renewed interest in the message of Christ. One example is Jair, a man 38, who God allowed me to lead to Christ. He told me, through tears that he had no doubt it was God drawing him to Himself. While seeking answers online, he came upon our church. Since accepting Christ he has not missed a single church service.

New Year with a Bang!

BIMI "Virtual" Candidate School was how we finished 2020, by teaching a week to our new missionary candidates. God is still calling and sending laborers into His harvest fields! Between the first and second year students, there were **72 new missionaries!** Though the teachers were on campus, the classes were all taught remotely. Upon finishing, we returned to Brazil for Christmas and New Years with our people and family.

New Year In Brazil with Family!

A full week of prayer each morning is how we have begun each year in our São Paulo churches ever since being established years ago. What a blessing to meet with nearly 50 of our people each morning at 6:30 am to seek God's face for revival and guidance in 2021. The churches have been blessed to see souls saved each week, since the first. We finished the month of January with a leadership retreat for leaders from two of our churches. A precious time of fellowship as we made plans and caste the vision for the year with our theme "**Constrained By The Love Of Christ.**" Motivated by the love of Christ, we have planned an evangelistic outreach in March with a bold goal of reaching sixty new families with the gospel. Please pray for our evangelism explosion Sunday on March 28th.
