

December 2020

"And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people."

Luke 2:10

Merry Christmas and Blessed New Year!

THANK YOU for your faithful partnership with us in life and ministry. Without your prayers and financial support, we would not be able to serve our Savior as church-planters in Brazil and fulfill our responsibility as SA Director with BIMl. As we close out 2020, with news dominated by the Covid-19, we want to share the good news of how God has been at work in the midst of it all.

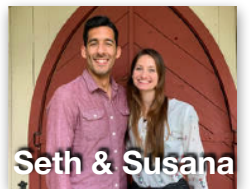

A quick ministry and family update: We began 2020 in Brazil challenging our churches with an *Acts 20/20 Vision*, continued phase two of the church plant in Guacuri and enrolled eleven new students for Bible Institute. Along with a calendar filled with connect trips, conferences, camps and candidate school the year abounded with ministry opportunities. Then came Covid-19 and we all had to adapt to life in the lockdown with restrictions. We soon learned what it means to Zoom and live stream. It has been amazing to see God at work through it all, with many who were reached with the gospel. We are reminded of *2Tim. 2:9* "**Wherein I suffer trouble, as an evil doer, even unto bonds; but the word of God is not bound.**"

New ministry responsibility: In June of 2020 we accepted an expanded role with BIMl as the South American Director, which means that we will continue serving the missionaries in Brazil, as well as, the other twelve countries in South America. **Please pray for us in this new role**, as it will require a more extensive travel schedule to the other countries and conferences in the Stateside churches and colleges.

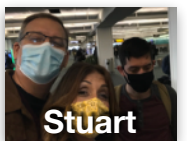

Seth and Susana were Stateside for most of the year to raise support for their church planting ministry in Brazil. Though many meetings were canceled due to the pandemic, they were blessed raise to 70% of their needed support. They plan to move indefinitely back to Brazil in June 2021. If you would like to consider them for support, please watch their video <https://vimeo.com/390857071> and contact them at seth2brazil@gmail.com.

Samuel continued his ministry in Goiania, Brazil teaching in the Christian school at Maranatha Baptist Temple and working as admin assistant of Fundamento Cristão, a Christian publishing house focused on translating Abeka school materials from English to Portuguese. During Covid all of his work has been done online. Please pray that schools will be able to open in the coming year.

Stuart was granted a waiver in Georgia to receive several new therapy options to help with his autism. He was accepted into the special needs vocational program, with a job coach, who is working with him towards independent living as he begins life in the States.
