REFRESHED AND RECHARGED

Did you ever need a recharge? There are some moments when you just need a “reset” in your routine and life, in general. A literal “renewal of your mind” like Paul talks about in Romans.

We won't lie – WE NEEDED ONE! God knows how human and limited we are lol. This first year on the field has had its challenges, tests and molding. How grateful we are to God and your prayers for the ways it has renewed our spirits and prepared us for the second half of the year.

LEAGUE OF CHAMPIONS - VBS 2022

600000LLL!! From the beginning, VBS has always been the highlight of the children's ministry. And this year it did not disappoint!! We brought a soccer twist to the program, and it was a blast! 230 registered kids, 60 salvation decisions and 40 workers got involved in the production. *Rodolfo and Natalia Dinardi*, *Rock of Ages'* missionaries to the *public schools*, joined us in this evangelistic outreach. Overall, it made up for a great team!

AMAZON CONNECT 2022

Speaking of great teams 😊. Once again, we joined a *29-member team* conducting a Med-Evangelism outreach into the Amazon jungle. This was the first time we had *two deaf interpreters* on the team, which God allowed us to contact seven deaf adults in a remote river village.

By God's providence:

- 232 families were treated by the medical team.
- 1,000 students hear the Gospel in their schools
- 41 professions of faith were made.

Friends in Ministry

Acquaintances are many but friendships are few. It's always an encouragement to have friends in ministry come to visit. Such was the case with *Pr. Steven Becker*. Other than having good times, Steven and Jony worked hard at remodeling our platform. We appreciate the generous offerings from *Regency BC* which allowed us to bring a "fresh look" to our ministry.

Into the Waters

This was our first baptism. We saw 6 believers enter the waters, professing their loyalty to Christ and joining the local church family. The greatest thing was that Seth didn't allow anyone to drown. Hallelujah!

Losing a Church Member

I don't think any pastor enjoys losing a church member, especially if the member was a "pillar" in the church. In our case, this church member was in the form of a concrete column 😊. And we needed to LOSE IT! Phase 2 of our construction project *was removing a column from the auditorium and installing a steel beam in its place. We needed to isolate the building and hold services in two nearby houses* – one for service and another for children's classes. The "temporary" move was tight, but it *united the church more than ever*. We appreciate the generous offerings towards this project. Now, we are headed to Phase 3.

The Clubs Continue

We just finished another series of Bible clubs in a nearby neighborhood. The Lord laid it on our hearts one day while evangelizing in the area. We noticed the influx of drug trafficking in the area. *God gave us a local park in the heart of the area to hold the clubs*. It proved to be fruitful. So grateful for the team of laborers, passionate about reaching these young lives for Christ. Thank-you for your contributions in making these clubs happen.

What to Pray?

- **New Apartment** – the process has been slow, but we are still trusting to be able to move in by end of year.
- **New Vehicle** – need "wheels" for our errands.
- **Ministry health** – transition has been very good. Strengthening the foundation.
- **Future of Brazil** – the country is divided over political parties (*sound familiar?*)
