Latin America's Largest Country
BRAZIL

July – September 2021 newsletter

"...Reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus." (Phil. 3:13-14)

The Last Quarter

It has been said that *what matters is not how you begin, but how you finish.*

It is hard to believe but we have reached the final stretch of our deputation journey!! With **6 more conferences** to go, by God's grace, we have **raised 92% of our aimed support.** Memories have been made and victories have been achieved. And although we are reaching the end, it's just the beginning.

Amazon 2021

Covid-19 could not stop the effectiveness our med-evangelism trip. Yes, there were many obstacles along the way. Flight cancellations, delays and even, police investigations were involved (don't worry, didn't get arrested). Nevertheless, we praise God for the victories achieved in this trip:

44 Team Members

700 people treated

Ministered in 5 towns

72 professions of faith and dedication.

Gospel presented in 3 schools

Many heard the Gospel through our *open-air meetings, medical clinics, school outreach, Bible clubs, and tract distribution.* We cannot fail to mention some of the team members who surrendered to their call to mission work. Your prayers were of great effect those past 10 days.

Preparations for Brazil

Our move to Brazil is coming fast! We can see it just "over the horizon". Our target date is **November 10th**. So, you can imagine, there are some preparations we are making for our move to be effective. Here are some of them:

- Travel and Shipping – This will be the last trip for a while. We are planning to fly out of Florida. Pray that the Lord can provide for our tickets and shipping for our permanent move.
- New Home – Yes!! We don't have to live out a suitcase anymore lol. We have *reserved an apartment on AirBnB for three months* until we can find a permanent apartment to buy. We are excited to establish a new home in Brazil. Please pray with us that we can find the right apartment with the appropriate price.
- New Vehicle – We enjoy walking, but it can't get us everywhere 😊. We appreciate your prayers for the Lord to provide the funds for a car.
- New Furniture – It's always good to have a bed to sleep on!! We ask your prayers that God will provide the funds for us to purchase furniture in Brazil as we establish our new home.
- Susana's American Citizenship – It was a miracle to see how God provided her Green Card. Now, we need to take the last step in her paperwork process to obtain her citizenship. This is worthwhile investment. Please pray that God continues to guide us through the last phases of this process.

Barely hanging on!!

And most of all: pray that we can **FINISH STRONG!!** We are reaching forward, and this last quarter is the beginning of another. **We love you all and thank-you for your support.**
