August/September 2024

Dear fellow laborers in Christ,

We are back on the road! Thank you for all of your prayers throughout this wonderful and difficult time. Below are a few praises and prayer requests we would like to share with you.

Praises

- We are elated to see Bobby's continued growth. Though he does struggle with a few minor health issues from time to time, he is growing very quickly and is a joy to be around. Thank you for your prayers on his behalf. It certainly means the world to us!
- It has been humbling and wonderful to see God provide through the difficult circumstances of these past two months. We are thrilled to report that we finally have our vehicle back after about a month of repairs. Everything is operating well, and God has used several of you to not only help cover our expenses by way of the vehicle but also help with the significant medical expenses incurred by Micalah's birth and two days in the hospital along with Bobby's 10 day stay in the NICU. We are incredibly grateful for how God has used you so mightily in our lives through prayers and giving. We pray that God blesses you mightily for your faithfulness to Him and kindness to us.

Prayer requests

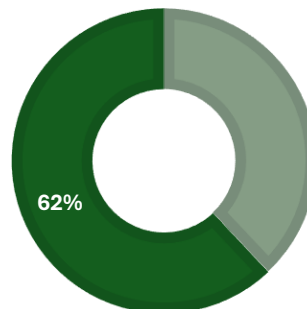

- Please pray for us as we begin traveling all across the country with Bobby. It certainly is a major adjustment and transition! The traveling seems to be more difficult for him than we anticipated. Pray for God's grace, peace, and strength!
- Please continue to pray for the wonderful people of the Ivory Coast. There are millions who have yet to hear what Jesus Christ has done for them.

In Christ,
