

July 2022

We are glad to report to you much fruit in the ministry here in Guyana. Each week we have had many opportunities to witness to children and adults. We have been able to see souls come to Christ during soul-winning as well as a result of Bible clubs in schools and a government family center. Praise the Lord for the gospel!

We are excited that in addition to souls coming to Christ for salvation we have been able to see new believers grow in Christ. Victory Baptist Church has had several baptisms. We are working to establish a more systematic discipleship program here at Victory Baptist Church. Brian and Kavita Raghu along with another gentleman, Mr. Daniels, came to our home for their first discipleship lesson. We are using the Foundations of My Faith series published by Grace to Grow Ministries of the First Baptist Church of Hammond. Emily prepared an excellent meal and we spent time reading and explaining the Scriptures. Please pray for continued growth of this ministry. We desire not only to disciple new converts but to train and equip others to do the same. The discipleship program will go hand in hand with an increased focus on follow up visitation.

Victory Baptist Church is an active soul-winning church. However, Pastor Shrivnauth has asked us to assist him with improving the church's effectiveness in following up on visitors and new converts. We are grateful for our vehicle as it will enable us to visit the homes of new church visitors.

We will also be employing WhatsApp - a free messenger app that is used by virtually everyone here in Guyana. We will be using this new tool to send sermons, devotionals, and gospel music and to keep in touch with prospects and church visitors.
