THE MAUSISA FAMILY

OCTOBER—DECEMBER 2021

Dear Church Family & Praying Friends,

Isaiah 55:9 For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts.

Trusting God in every situation is a believer duty. Many things ahead are unknown unto us, but our God that we are serving has been there already.

Most of the Sunday services for the month of October were done via zoom meetings because of the covid situation. To avoid close contacts, we decided to schedule each family one day a week to come to church to pray. Sri Lanka also experienced like we experiencing now in Philippines were Paracetamols were almost out of the market.

November and December were better months. We were allowed to do on site meetings. Our small place had set 30 chairs enough for the required capacity for social distancing. We were able to celebrate Christmas season and do our usual activities. One sad moment in our church family is one of our faithful families who been a member in our church since 2014 left Sri Lanka for good in Qatar. Converting one family a year in this place is already a great victory. Another thing for prayer is the baptism of Sajeswaran, he is one of our members's son who worked in Saudi Arabia and now he is in Sri Lanka for good.

Since we cannot register as a church in this country, we decided to apply as a charitable institution to make some sort of legalities of what are doing in this field because the NGO that we established six years ago has not been approved. We are preparing the necessary documents and kindly include this in your prayers. Please pray also for our meeting place where we are renting for ten years now, the house owner wanted us to vacate the place at the end of January 2022, ten months earlier of the agreed contract. We are hoping that we can find a better one.

Thank you once again for your faithful partnership with us. May the Lord bless you more in return. Have a prosperous 2022 and Keep safe!

With Prayers,

Bro. Mausisa
