JANUARY—MARCH 2020

Dear Church Family and Praying Friends,

Psalm 46:10 Be still, and know that I *am* God: I will be exalted among the heathen, I will be exalted in the earth.

Before this COVID19 pandemic strikes all over the world, let me share some of our victories when we entered the year 2020. On second Sunday of January was our 5th church anniversary. Since we have only limited space we only invited few of our friends. I preached about the church of the Lord Jesus Christ. It was only a simple celebration with free lunch for everyone.

One of our goals this year is to get our building permit approved. One Thursday afternoon, some of our men and youth went to our property for the purpose of prayer and to show to them my future building plan. While the ladies stay in our church to have a devotion with my wife and also for prayer. Help us to pray for this project in which impossible for us to do as of now. We have already a total commitment of about 400K pesos. The labor and materials here is about 40% higher than Philippines. The foundation and ground floor is estimated to be 2.7M pesos. We have to start slowly phase by phase as the Lord provides.

One of the blessings was my youngest son, Josriel, who is now ten years old got baptized. I thank the lord that He gave me the privilege to baptize my three kids in Sri Lanka. In my previous letter also, I asked you to pray for Sis. Vegie's baptism. She had been coming to our church off and on since 2013. Her husband left her with three small children and took 100K pesos amount of money from her jewelry. Vegie also received the believers' baptism.

Thank you once again for your faithful partnership with us. We also keep you in our prayers in this trying times of CORONA virus.

With prayers,
The Mausisa Family

Psalm 36:7 *How excellent is thy lovingkindness, O God! therefore the children of men put their trust under the shadow of thy wings.*
