BLESSINGS

During the first week of November, our family was blessed to visit Arizona. One of our supporting churches flew us over for us to attend their annual missions conference. I had the privilege of preaching the conference. **Three visitors came forward to receive Christ** during the Sunday morning service. Praise the Lord!

I was also blessed to travel to Israel with the same church. A dear saint in the church covered my expenses. Visiting the land where Jesus walked was, without a doubt, an impactful experience. I am forever grateful for this opportunity!

Before returning to Senegal, we are able to visit a few supporting churches, as well as one new church. During these visits, **three more visitors made decisions to trust Christ**. We were especially blessed when my 10-year-old son led our daughter to Christ after a service!

The African Baptist Church

We are so very grateful for Pastor Malick Diop and his family. Whenever we visit the States/Canda we always have great confidence in the capable leadership of Pastor Malick.

We continue to make inroads in a new part of town where we have opened a second location. Please continue to pray as we seek property in this new area to purchase for an official location for our church building. We hope to begin construction by the end of next year, once we acquire the right property.

A NEW ADDITION

Daniel and Sarah Jenkins are pleased to announce the arrival of their little boy, Emerson. Pray that they will receive little Emerson's passport for their return to The Gambia in late January. Lord willing, we will make a trip to The Gambia next spring for the dedication of a property and a well to the work of the Lord. Please pray as the Jenkins finish language training and launch their ministry in the coming year.

Thank you for your faithful prayers and support of this ministry. We could not fulfill this work without your partnership.
