

NBM is extremely grateful for the generosity of faithful givers who have made many seemingly impossible projects a reality. We have been able to supply churches with 1,000 Bibles and 100,000 tracts, aided in necessary renovations and repairs to over 20 church properties, and provided nearly two-dozen churches with teaching materials for adults and children's Sunday School ministries. It has been a true blessing to partner with churches and a joy to see the encouragement it has been to countless pastors this year. We wanted to thank those who gave this year, and we hope to have you as a continuing partner in God's work in Nicaragua and the rest of Central America in 2024.

So as we come to the close of 2023, we wanted to share some specific details on avenues of ministry that God has made possible for 2024! What you will find as you read through this newsletter is an overview of specific needs or projects that we are hoping to see accomplished in the coming year. 2023 has been a fruitful season of work, and we are looking ahead prayerfully to see what the Lord will accomplish in 2024.
