Beloved Prayer Warriors:

The sobering reality that the "billions untold are still untold" demands that we cry out for the Lord of the Harvest to give us a life-changing burden for lost souls all around the world. It is our God given duty to give them a clear presentation of the Gospel of Christ before it will be forever too late.

Here in Brazil, we continue to rejoice in the Lord for the many blessings He has graciously poured into our lives as we strive to carry on the different ministries God has entrusted us with.

CHURCH: Recently, **Karina**, a young mother struggling with drug addiction, walked down the aisle to trust Jesus Christ as her Lord and Savior. Currently, she is doing so much better undergoing treatment at a rehabilitation clinic. Just a couple days after **Bruna** and her fiancée **Andre** also called on Jesus to save them. In the following week a couple families decided to join our Church because they felt their need for "old fashioned" Bible preaching and a God honoring singing. Please pray that **Karina, Bruna, Andre, Matheus, and Vera** will grow in the Lord as we disciple them. **Praise the Lord!**

SCHOOL: The gracious God has already given us the financial resources to start building the new classrooms as a 1st phase of our Christian School Expansion Project. However, we have been waiting for the building permit to be issued. After we build, then we will be able to enroll some new 84 students and continue to train up a new generation of faithful and purposeful followers of Jesus Christ. As we have just resumed classes for our next semester pray that the Lord will continue to save our unsaved students and edify the ones that have already been saved. **Please, remember us in your prayers!**

THE NEW CHURCHES: **Tabernacle Baptist Church in Bonfim Paulista** already have some 30 people faithfully attending our services there. Since we had no choice but to relocate from where we were, we have been praying that God will help us to sell the properties there so we can start building a church sanctuary providing seating for some 90 people. Surely it will save us a great deal of money not having to rent anymore.

Tabernacle Baptist Church in Brodowski has seen from 10 to 15 people attending the services. We have started a Children Good News Bible club with a very good attendance and at the same time providing for us an opportunity to visit a number of these kid's families. Please pray diligently that God will bless our effort there to disciple these adults who have been saved: **Aledson, Henrique, Joaquim, Paulo, and Leonor.**

Please accept our heartfelt gratitude for your faithful support. May the Lord greatly bless you.
