MARCH OF 2020

Beloved Prayer Warriors:

The expectations and challenges of a new year certainly urge us diligently to pray that the Lord will send us a refreshing Revival. The salvation of precious souls all around the World demands it. "Revive us again, o Lord!"

We rejoice in the Lord for the many blessings He has poured into our lives and the variety of ministries we have down here in the land of the "**untold millions still untold.**"

**CHURCH:** Praise the Lord with us for the souls that have recently trusted in the Lord Jesus and for a couple families that have decided to join our church because they felt the need for "old fashioned" Bible preaching and singing. In spite of the economic crisis our country faces our people are still faithfully giving to Missions. We have been able to support over 70 missionaries serving both in Brazil (Church Planting, Native Brazilian tribes, Jewish and Muslims outreaching works, etc.) and in other countries such as Portugal, Cape Verde, Chile, Venezuela, etc. In a few weeks, we will have a Brazilian family obeying the Great Commission and going to **East Timor** as missionaries. **Praise the Lord!**

**SCHOOL:** Pray also for a number of students that have already come to trust the Lord as their Savior responding to our invitations in Chapel. Their names are **Heitor, Roberta, Thamires, Lavínia, João Vinicius, and Hugo**. Hugo is a teenager fighting a very aggressive cancer. Since he was five years old the doctors have told his family he would never live to see the next month. The Great Physician once again has proved them wrong. **Please, remember him in your prayers!**

**THE NEW CHURCHES:** We praise the Lord for providing the means for us to have both the foundation and the retaining wall already built as the building in Bonfim Paulista moves forward. Our next biggest challenge on the building project is to raise some **\$70,000** to build a church building seating some 90 people for services. It would save us a great deal of money going now on renting.

We already have some 25 people attending **Tabernacle Baptist Church in Brodowski**. Please pray diligently that God will bless our effort there to disciple the adults who have come to Jesus for salvation: **Aledson, Henrique, Joaquim, Paulo, and Leonor**. Our next step is to start very soon a Children's Good News Bible Class.

*Note: I will be visiting the US from May 6 thru June 22. I am still available on a number of dates to visit our supporting churches and report on the work here in Brazil. Please, if your church wants me to come by and be a blessing contact me at the e-mail given above on our headline.*

Please accept our heartfelt gratitude for your faithful support. May the Lord greatly bless you.

Serving in the Lord's Harvest,
