DECEMBER OF 2022

Beloved Prayer Warriors:

The expectations and challenges of a new year certainly urge us to pray diligently that the Lord will send us a refreshing Revival. The salvation of precious souls all around the world demands it. "Revive us again, o Lord!"

We rejoice in the Lord both for the many blessings He has poured into our lives and the variety of ministries He has blessed us with down here in the land of the **"untold millions still untold"**.

**CHURCH:** Praise the Lord with us for the souls that have recently trusted in Jesus as their savior. We ask you to pray for Christian growth for *Abel, Ana Paula, Cassiano and Heloisa*. Our Church also has recently teamed up with one of our Seminary graduates who is starting a church in a town, *Jurucê*, not far away from us. Pray that souls will be saved there and that very soon we will be able to see this work flourishing for the Lord.

**SCHOOL:** Pray also for the students that have come to trust the Lord as their Savior responding to our invitations in Chapel. Just at this moment our Christian School family is grieving over the "untimely" passing away of *Rayane*, a teenager we did our very best to help until she recently left our School. Her family, friends, and all of us surely need your prayers.

**BONFIM PAULISTA:** We urge you to continue to pray for Pr, Andre, our assistant pastor who served in Bonfim Paulista, and for his family. He has been through two major surgeries and yet his brain tumor has now grown to over 80% of his brain. Pray also for the ministry and the new building project there. Due to changes in zoning laws and impositions against Church ministries we had to reevaluate our ministry there and have decided to relocate and build in a growing neighborhood that allows for a much more effective access to the people in town. What has already been donated to the building project and the selling of our properties in the former construction site will help us to have a place of our own sooner than first anticipated.

**A PERSONAL NEED:** We seldom write to you about personal needs. However, this time we ask you to pray and consider helping us purchase a more adequate car that will better serve my present physical need. I have been diagnosed with "degenerating arthritis" on my cervical spine and the 2015 car we have been using has a rather low chassis that has not been much of a help to my condition. Thank you for praying for it!

May both our church and family Christmas celebrations remind us that we indeed have **"good tidings of great joy"** to be urgently and passionately proclaimed to **"all people."**

Please accept our heartfelt gratitude for your faithful support. May the Lord greatly bless you.

Serving in the Lord's Harvest,
