Beloved Prayer Warriors:

The challenges of a pandemic year as well as finding us in the world's epicenter of COVID-19 certainly move us to beg you to diligently pray for the Lord's intervention on our behalf. Yet, the salvation of precious souls all around the world demands that we must pray for the Lord to "Revive us again!"

Despite all the trials coming our way we still rejoice in the Lord for the many blessings He has poured into our lives and for the variety of ministries He has given us down here in the land of the "untold millions still untold."

CHURCH: Praise the Lord with us for the souls that have recently trusted in the Lord Jesus and for the opportunity of expanding the preaching of His Word through having our services on the YouTube. We have heard of people that had never heard the Gospel message before now being exposed to it. The severe economic crisis our country faces has not kept our people from faithfully giving to Missions. We are still supporting 66 missionaries serving both in Brazil and in other countries such as Portugal, Cape Verde, Chile, and Venezuela. One of our Brazilian families has been waiting on visas and the timely opportunity due to the pandemic situation to go to **East Timor** as missionaries. **Praise the Lord!**

SCHOOL: Pray for a number of students that have already come to trust the Lord as their Savior, responding to our invitations in Chapel. What a blessing it was for our family to see our grandson **Lorenzo** giving his heart to Jesus a couple weeks ago. Pray for Lorenzo's growth and pray also for some other students that have been saved: **Davi, Giullia, Guilherme, Laura e Thamiris**. **Praise the Lord!**

We have truly been heartbroken with several families both from our church and school losing their loved ones to COVID-19. How sad it was for us to see one of our Bible Institute young graduates serving with Rock of Ages just recently passing away as a victim of COVID-19. His mother "dona" Lourdes has been an active member of our church for several years. **We beg you to remember us in your prayers!**

THE NEW CHURCHES: We praise the Lord for using both Duke (son of the late Rev. Bobby Powell, a former missionary to Brazil) and Fran Powell who have been helping us to raise **\$50,000** so we could go to the next phase of our building in Bonfim Paulista. We have taken on the challenge to build a church building seating some 90 people for our services. It would also save us a great deal of money going now on renting. What a blessing it would be if you could join us in this effort too. **Please pray about it.**

As for the other church, we already have some 25 people attending **Tabernacle Baptist Church in Brodowski**. Please pray that God will bless our efforts to disciple the adults who have come to Jesus for salvation: **Clara, Claudete, Faria, Henrique, Joaquim, José de Oliveira, and Leonor**. Our next step is to start very soon a Children's Good News Bible Class. We are also looking around to find a property there for a future church building.

Please accept our heartfelt gratitude for your faithful support. May the Lord greatly bless you.
