Dear praying friends,

The month of July has been a very busy month for us!

We began the month with two weeks teaching in the Bible college on how to win Jews to Christ. One Sunday we had an emphasis on Israel and one Jewish person came out. Following that we started a youth conference for three days. Basically it was an outreach to win young people to Christ. There were 400 teenagers and young adults that attended with many being saved. Our youth meeting on Saturday has really grown as new young people are coming. Pray that their lives will be changed.

We began the next week with training for new teachers to go out and start Bible clubs in the neighborhoods of Tucumán. Please pray - we would like to have a room at church with materials for the different workers that are teaching children. We are teaching about 300 children weekly in different ministries.

Our church planting team went out this month and started a church out in nowhere, there were very few houses in the area. Nevertheless, there were about 100 people both nights that came out. We have a pastor that is going to continue in this area, to form an Independent Baptist Church .

Last Sunday we had about 50 first-time visitors. Many were saved. The Lord is really working. We give all the glory to Him! He is the one that does the work.

Thank you for your prayers.
