Dear Friends,

We were out soul winning the other day with my son Joshua in the new work in Santiago it was a 121°F/ 50°C. It was the hottest day ever seen here. A man got saved and came to church the next day, Praise the Lord! No too long after that a tornado hit the town and the people were really shaken up.

We just finished VBS. My wife, Alma, planned and prepared the whole week. It was a wonderful blessing. Many kids accepted Christ as their Saviour. There were crafts, Bible stories, Bible verses, Christian songs and sketches. The kids were so excited! They didn't want it to finish. Alma received a special offering and was able to buy t-shirts for the kids that had a Bible verse on the front and the Bible topics learned every day on the back.

Just a few weeks ago a youth camp took place. The Lord really worked in the youth and spirit of revival broke out. They closed the services but the kids stayed around getting right with God after the services.

I'm going to see my son, David, next week in Córdoba. He is a missionary pastor there. Pray as they are expecting their third child in March.

We were also like to ask prayer for the Bible college which is beginning in March. We are praying for more dorm students. God bless you, and thank you for everything you do for us.

In Christ,

*Larry and Alma Owens*
