Dear Friends,

Thank you for praying for Argentina! We have a new president, Javier Milei. He is trying to change a hundred years of socialist policies. It won't be easy, please pray for him.

My wife, Alma, has started a ministry to children who have no parents and to children with rough home backgrounds. She is teaching them different Bible principles at church. Please Lord, change the next generation.

We had summer camp in January with a hundred and forty young people and teenagers -and the Lord worked in a great way. The testimonies of our young people after camp were inspiring. Please pray that they will continue to work and change their lives.

My health is better, still not a hundred percent, I appreciate your prayers and love for us.

My son, Caleb, is graduating as an accountant in May. We ask for guidance in his life. My sons, Joshua and David, are pastoring churches in Cordoba and Santiago, Argentina.

We started a new church in Lules Tucuman. Many people were saved and baptized in a special meeting we had there. There are about 20 people that continue in that work.

In February we just finished our youth conference. There were 600 young people in the night preaching sessions and about 400 in the day sessions. There was a wonderful spirit. The preaching was convicting, and the Lord willing, lives were changed.

We were out soul winning and won a former drug addict to Christ. His name is Rodrigo. He is coming to church faithfully, and now he wants to go soul winning with us. Please pray others' lives will be changed by the power of God here in Argentina.

God bless you and thank you for everything.

In His service,

Larry Owens
