Greetings from Tucumán Argentina,

The church has been blessed here. We have two services with two different groups of people and is full both services. Praise the Lord! Folks are getting saved and lives are being changed.

Roberto came to church recently and got saved and baptized. He was basically an atheist but God worked on his heart instead of claiming like he always did that the Bible was written by men. He got saved and now he is in our Bible college.

We started the school year off at our college with 70 students studying in person and 80 online. The Lord is really blessing our online classes. Please pray that many men of God go into the work.

My wife, Alma, was burdened to help families homeschool here in Argentina. We have started homeschooling in our church and there are seven families participating. Please pray as there are hardly any homeschools in Argentina. It is all very new.

One very special prayer request is that God will give us a revival here in Tucuman. Please pray that God will do a tremendous work in people's hearts.

I would in closing like to share two needs for two of our preacher boys. Both need properties for their churches. One is in Monteros Argentina where we started. The first independent Baptist church there. They are asking \$8,000 dollars for the property.

The other is a graduate named Nicolas Choque, who started a church in Bolivia. He needs \$10,000 dollars if the Lord puts it on your hearts to help. Please let me know. God bless you all!!
