

Dear Praying Friends,

December 16th, 2019

We pray this letter finds you well and enjoying the endless and faithful blessings of our Lord. We are very thankful for the way the Lord has been working in our lives and in the church in Nagua.

## NEW BUILDING

A few days ago, I received a phone call with news about the building we had mentioned in our previous prayer letter. December marks one year since we started looking for a place and had not found one yet until this phone call. The person currently in charge of the building called me to let me know that they have agreed to rent us the building for two years with the option of buying. We are very thrilled about this and have made plans to start packing our church supplies and materials during the end of December. They also agreed to let us use the building for the first month free of charges to give us some time to work at fixing and getting the building ready. We are excited, and we would like to ask to you continue to pray for us, that the Lord would allow us to raise the funds to purchase the property within the next two years if it's God's will.

## A STEP OF OBEDIENCE

We are thrilled about the new people who have been coming to church every week. A month ago, a man named Darío began to attend our services faithfully. I had the opportunity to talk to him and listen to his testimony of salvation. He had been looking for a good church to join, and the Lord guided him to our church through an acquaintance of his. I have been getting to know him better, and I can see in him a strong desire to follow the Lord. We have prepared a Baptism Service for the end of December and Darío is going to get baptized. It would be our second baptismal service this year, and we are praying that more of the people who have been saved submit their lives to the Lord in obedience regarding Baptism.

### Prayer Request:

- Saved folks to follow the Lord in believer's baptism.
- Spiritual and numerical growth of the church.
- For our health and safety.
- That the Lord would bless our efforts of putting the book of Romans in people's hands. That we would have visitors come to church and souls saved as a result.

## THE LORD'S PROTECTION

We are immensely grateful for God's protection in our lives. At the end of November, our refrigerator had some problems and we didn't realize what was going on, but one night, the fridge started to burn on the inside. The following morning, we woke up with a strong burning smell in the house, and thank the Lord, that although we lost our fridge, our kitchen or house wasn't burned down and that we were not harmed. Thank you so much for continually praying for our protection. Lastly, we hope you all had a wonderful Thanksgiving and we wish you a Merry Christmas; may we always remember that Jesus is the reason for such a special season.

In Christ,
