

# The Polanco Family

Dear Praying Friends,

12.31.2022

We hope you all had a great holiday season. Merry Christmas and a Happy New Year to you. We are so thankful to have had the opportunity to spend time with family, friends, and supporting churches during this time of the year. Thank you so much for your faithful prayers and financial support.

## Field Report

Brother Jose from our church in Nagua has been watching over the church while we have been on furlough. He is doing a great job with preaching/teaching the Word, driving the van route, visitation/soul-winning, and keeping up with all the other responsibilities of the ministry. In the last two months, the Lord has blessed the congregation

in Nagua with new visitors, and several families have shared an interest in joining the church. Also, the church has seen souls saved and two baptisms. One of those baptisms is the young lady that we wrote about back during the summer, where we mentioned that she and her mom had to run away from her husband. The other person that was baptized was Emanis, who was invited to church by brother Dario and got saved during the church service. Brother Dario followed up on him, and Emanis got baptized a week later. We are so thankful to see how God is working in the church in Nagua through the faithfulness of God's people and are also excited to see how God is opening doors in our region. We look forward to going back at the end of January. We are anticipating our return to the Dominican and cannot wait to see what God has in store for this next term.

## Furlough Report

We spent the last two months of the year traveling and reporting to several churches in the Northeast. The Lord also gave me the opportunity to preach at my home church and at a teen camp in New Jersey during the last week of the year. Also, the Lord has continued to provide for the building fund for the church in Nagua. We are currently at 103,850, putting us at 69.93% of what we need to buy the building. We thank you so much for joining us in prayer for the Lord's provision with this project. Thank you for faithfully prayers and support, please know that we are humbled by it. Happy New Year!

In Christ,

*Jeffri & Pamela Polanco*
