SERVING IN
NORTHERN DOMINICAN REPUBLIC

Dear Praying Friends,

October 3, 2020

It is our prayer that this letter finds you well and enjoying the abundant blessings of the Lord. Thank you so much for your faithful prayers and financial support, even during these difficult and unprecedented times.

September was a month of many exciting moments. First, we had the visit of Chad and Cynthia Pape, whom we worked with in Nagua for some time; they were of great help and encouragement to Pam and me. They helped us with a painting project and some electrical work around the church, and the children were delighted with the changes. Next, with the help of another missionary, we were able to build a baptistry out of wood, and we are looking forward to having our first baptism in the church building.

Please join us in prayers that those that have been saved would take the next step on their walk with the Lord in believer's baptism. Also, I had the opportunity to host some of our teen boys at our house. I was able to spend some time with them and encourage them in their walk with the Lord. We are thankful for their faithfulness and for their desire to grow spiritually.

EXCITING THINGS HAPPENING IN NAGUA

We would love to ask you to please pray for a mother who had recently started coming to our church, my wife shared the Gospel with her, but she said she was not ready to make a decision. However, it is evident that the Lord is working on her heart, and we would love for you to join us in prayer for Geraldin and her young family. She and her daughter have become faithful to our church services, but it's our prayer that she will be willing to take a step of faith and surrender her life to God.

Prayer Request:

- Protection from the virus.
- The spiritual growth of the new converts.
- For the Tinkle Family as they get accustomed to the Dominican Republic.
- For Giralдин's salvation.

Lastly, we covet your prayers for the Tinkle family. They arrived in the Dominican on September 28th to serve with us, and we are excited and looking forward to seeing how the Lord will use our families together in Nagua. We have many plans for the ministry here, and we are praying for the Lord's leading as we embark on this new journey together.

In Christ,

Jeffri & Pam Polanco
