Dear Pastor Kelley and praying brethren,

Greetings in Christ,

Thanks to all your prayers, we are back here in our mission field after 3 months furlough in the Philippines. We were thankful to God for the privilege of attending the 25th Anniversary of Asian Baptist Clearinghouse last February 15 and mission conferences in some few churches. We also have the privilege of ministering His Word to His people in the churches who accommodated us. We were glad to see souls came forward to receive Christ as their Saviour and church members being encouraged and make commitment to support world mission. Our visit was also a great opportunity to have time together with our family and loved ones on their special days.

It is the Muslim's Ramadan (day of fasting) month after six days of our arrival. We are planning to start our English Literacy class after their month of fasting. We are still looking for a larger facility for our ministry to accommodate more people but we are having difficulty finding affordable one since house rent is soaring high in this area.

Please continue to uphold us in your prayers, peace and order situation is still not good especially for the Christians as we are the target of the radical Muslims bombing activities. Christians were scared to go to church since the series of bombing of churches in Sri Lanka two weeks ago.

Thank you for your faithfulness in prayers and supports through it we were greatly encouraged to continue. May the Lord our God richly bless you.

In Christ's service,

German and Annie Ponce
