Dear Pastor Kelley and praying brethren,

Greetings in the precious name of our Lord and Savior Jesus Christ. We are humbled to represent your church here in Bangladesh.

We praised God for His sustaining grace during this difficult time. We are grateful to Him also, for blessing and using you to provide our basic needs in the field.

Because of the government’s restriction for mass gathering due to the pandemic, particularly the school, we loosed the opportunity to reach out to new students for the gospel. But the blessing is, we were able to focus our discipleship program to the new believers. We did not grow in number but we saw spiritual growth in their lives and continually increase in the knowledge of Jesus Christ.

Our Friday worship service and Bible study is going well with limited attendance. For six months we do not have our daily Free Literacy Program, but thank God, they faithfully came to attend worship services and Bible studies.

There are still a lot of souls to reach out for Christ, even so, many things to do for the new believers to grow, please continue to uphold us in your prayers, partnership and support.

In Christ’s service,

German and Annie Ponce
