Rays' Report

August—September 2019

James and Mary at Woodhill Baptist Church, Wales, United Kingdom— Rev. Leonard James Pastor

Dear Friends:

Thank you for standing with us and for being our friends. Words cannot tell you how much you mean to us and to our ministry.

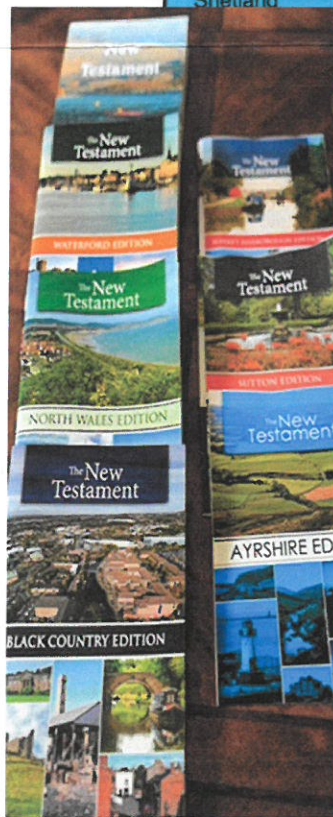

Picture: Some of the Bibles we have printed for the *Reseeding the United Kingdom* campaign.

Our goal is to send these Bibles to the missionaries—right to their door without their having to pay for shipping, printing, or any other expense.

The missionaries are committed to distributing the Bibles to homes, to schools, to hospitals, and to every place possible in their areas. Bearing Precious Seed has graciously consented to print these for us. **We are committed to paying for materials and for shipping.** With your help, we are reaching that goal. Thousands of people in the United Kingdom and Ireland now have a personalized copy of God's Word. **Thousands more wait!!** The Bible can bring England, Scotland, Wales and Ireland...BACK TO CHIRST.

Please continue to pray for us and our ministry. Your support and help are so important.

If any of our supporting churches would like for us to come and present an update, we have some Sundays open in November and December.
