"The Lord gave the word: great was the company of those that published it."

Psalm 68:11

Dear Faithful Supporters,

Praying friends, thank you for all your faithful love, prayers, and support of our ministry. The Lord has been so good during this time of the pandemic. He has opened doors for us to be able to be involved in a revival in Brazil preaching through media. I was honored to preach at Tabernacle Baptist Church Pulpit, which was recorded for our people in Brazil. I had the opportunity to preach to our young people in Brazil through media too. God during this time has used social media to be a blessing. I know the Devil does not like it, but I have never seen so many preachers on Facebook like today. May God receive all the glory.

Pray that God will open the borders and churches in Brazil, we plan to go as soon as our churches can reopen, to minister, and to be a blessing to our people there. We have many things planned for Brazil. Please pray that God will supply for these ministries. We plan shortly to build a storage place for the Bibles that God is allowing us to purchase through a supporting church and a dear evangelist. We are going to build a large room that will be safe for our Bibles and the thousands of evangelistic booklets we plan to print in Brazil if the Lord allows us. Praise the Lord, God has given us 6,000 dollars to build this storage room so we can distribute the Word of God in the North Region of Brazil, where few people have Bibles. Also, we were given 4,000 to help one of our churches in Brazil to finish their building. God is GOOD, All the time. We are also involved in sending Bibles to Venezuela, a very needy place. One of our Brazilian missionaries told me these words, "Pastor, not one member of my church can afford to buy a Bible." Wow, those words are shocking--what a need! Oh, how many people here in America have so many Bibles (I am one of them)? Here are some people of God who cannot even afford to purchase a Bible. We need to reach out. Pray that God will provide. Also, pray as God has allowed my wife and me the opportunity to translate booklets and tracts for our county of Brazil.

We have one more prayer request. We were planning to leave for Brazil around the 11th of August, but the borders are closed. Please pray that we can go soon if the pandemic is over. We praise the Lord for supplying our tickets to go, and just as soon as they allow us to go, we plan to go for about 20 days.

Thank you for your faithfulness in supporting us. Please pray that God will use us in a mighty way as we go to Brazil. Also, pray that God would open doors for us to raise money for churches that are being built in Brazil at this moment. My desire is to be used here and abroad.
