Dear Faithful Supporters,

First, I would like to ask your forgiveness for not writing sooner. As many of you probably know, on July 20<sup>th</sup> at 5:25 am, my Father (Jimmy Rose) went home to be with the Lord. He had suffered for about four and half years with dialysis, and one and a half years ago, he was bed stricken but praise the Lord, he is running the streets of glory today. Would you continue to pray for my Mother (Nancy Rose)? She also is not doing well. After the passing of my Father, my wife and I, together with our family, decided it would be good for us to live with my mother to take care of her.

The Lord has been so good to us that we cannot complain at all. We were still planning on going to Brazil on August 23<sup>rd</sup>, but we have changed our dates till November because of my mother and so much to take care of after the passing of my father. But when we go in November, we plan to be there for two weeks. (Praise the Lord for our home church that has provided care for my mother while we are on the field). I will be preaching in a different church at almost every service during the time I will be there. Would you please pray that souls will be saved, and Christians will be edified?

The Lord has been so good to our ministry in Venezuela by allowing us to send 34 boxes of 100 lbs. with over 1,500 Bibles, 26,000 Gospel tracts, and personal items. This last time, we sent three boxes full of shoes, which is a tremendous need they have in Venezuela. Pray God will allow us to continue to send these boxes as the Lord provides.

I have been praying about another project. God has laid upon my heart the need to get the Gospel to Cuba. Would you please pray that somehow in some way, in a very particular way, God will allow us to send Bibles and Gospel tracts to Cuba? The need is so great, and the government is so closed to the Gospel. Also, pray the doors will be open to India as we have plans to go in October to work in some villages and preach many times while we are there and also in December we were invited to go to Africa to preach a Missions conference and present Faith Promise.

I am so grateful for my sweet wife, who helps me in so many ways. She has been so good to my parents in taking care of them as if they were her parents. She will be going with me to Brazil, but she will be staying home on the other trips to help care for my mother. I am eternally grateful for the wife God gave me. Would you please pray for her as she has been struggling with some health issues?

We Love you all in the Lord, and we are SO grateful for your faithfulness in supporting us financially and in your prayers. Would you please pray that God will fill us with His Spirit and use us to win many souls for Christ, which is why we are here?

Listening and Waiting for the Trumpet,

Terrill and Adriana Rose
