Serving Here and Abroad - Since 1991

Dear Faithful Supporters,

Our hearts' desire is that you had a wonderful CHRISTmas and a Happy New Year!!!

Since our last prayer letter, a lot has gone on. We were able to go to Brazil for three and a half weeks. We landed running and did not stop until we got back on the plane three and half weeks later. I believe our trip was very fruitful. We spent some time with my wife's mother, which she had not seen for three years. Praise the Lord she is doing better. Also, the first week of our trip, we had Robbie Mullinax (Missionary to China) and Quenton Brown (a young man from our Bible college at Tabernacle) with us. We sent out over 100 envelopes with Chinese Gospel tracts and materials to Chinese Restaurants in two large cities through Robbie's ministry. We preached in almost every service while there in Brazil. We are glad to say that we saw **eight souls saved** during this trip. We hope and pray more souls will be saved. May God receive all the glory.

We came back home to the U.S. the day before Thanksgiving, and two weeks later, I went to Ivory Coast, Africa for ten days. OH, WHAT A BLESSING! I taught Faith Promise to one of the churches that Bro. Johnny Todd started, and I was thrilled to see people rejoice and be willing to give so missionaries could go and start churches. Then after the conference, we went with Dr. Bernard Kadio to a small city called Jacqueville. In three days, he tended to over 250 patients. On Sunday, I was privileged to preach the first service of the brand-new Independent Baptist Church in Jacqueville, Ivory Coast. During this trip, we saw **fifteen people saved**. A new church has begun in a city with no church. This coming December, we plan to go back to another city on the Ivory Coast and do the same thing. Will you pray for us? Pray for God to provide for all we have planned this coming year.

Please continue to pray for our project in Venezuela. We have sent forty-five 100-lb. boxes of Bibles, tracts, and personal needs, such as shoes. As God provides, we plan to continue. It costs us \$110 to send one box. Would you be willing to help us send materials to this place? The people are very poor and make very little money. Pray with me as I want to help these people.

Thank you so much for supporting us faithfully month by month and most of all for your prayers. God has opened many doors. We plan to go to Mexico, Brazil, and Africa this year to be a blessing. When we are engaged in the fight, the Devil gets upset. So, please pray that God will continue using us, and souls will be saved.
