"And Jabez called on the God of Israel, saying, oh that thou wouldest bless me indeed, and enlarge my coast, and that thine hand might be with me, and that thou wouldest keep me from evil, that it may not grieve me! And God granted him that which he requested." I Chronicles 4:10

Dear faithful Supporters,

Five years ago, I began asking God to "enlarge my coast" or open doors and opportunities for me in missions; we have been missionaries in Brazil for 32 years. God has opened doors wide and given us many opportunities.

In May, we had the opportunity to spend three weeks in Brazil, visiting churches we have helped start and others. I had the opportunity to preach nine times. It was a great joy to see the response with souls rededicating their lives, and the one thing that I felt God wanted me to preach on was Soul Winning. Sometimes we get so busy with the ministry that we forget what God most wants us to do is to tell people about the Lord Jesus Christ. Oh, that God would give us great compassion and burden for lost souls.

I was in Mexico for a week to preach at a camp in June. Praise the Lord; we had one young man surrender to the mission field. He told his pastor he wanted to go to Cuba. Also, there were about twenty-five people at this camp, and in four days, this group went into villages and downtown Guanajuato, Mexico. They gave out over 11,000 tracts and packets with the gospel. This distribution was a great opportunity for souls to come to Christ!

Also, we praise the Lord for our ministry to Venezuela. Offerings have come in for us to send more 100-lb boxes of Bibles, tracts, etc. We have sent 50 boxes already, and we plan to send five more this month. I desire that we will be able to reach 100 boxes in Venezuela. We are praying that, in some way, we will be able to start sending Bibles to Cuba. As of now, we are close to figuring out a way to get the Word into Cuba. Please pray that God will open this door soon. If you want to get involved, please send your offering to TBMI.

I have a few prayer requests that I would ask you to pray. Pray for my mother (Nancy Rose); she is in a memory care center and is not doing well. Money is coming to an end, and the support that she still has become lower and lower. I would plead with you to please continue to support her. She has given over fifty years in the ministry of missions and needs your help now. We need God to give us wisdom as to what to do next.

Please pray that God will provide for us for our trip to Africa in December. I will be preaching at a missions conference in Grand Bassam, Ivory Coast. Then after the conference, our team will be going to two cities to start two new churches.

Last December, we started a new church in Jacqueville, Ivory Coast. They have rented their own building, and souls are being saved. Lord willing, in December, we will be at the groundbreaking of the new church to be built there in Jacqueville. Praise the Lord that the church is going well. Please pray for us.

In April of 2023, I will be taking a team to Brazil to visit the Northern part of Brazil, preaching a missions conference, visiting two of our missionaries, and, Lord willing, visiting an indigenous tribe. Please PRAY God will provide for all these trips.

Thank you so much for your faithfulness in supporting us month by month. Please forgive me for taking longer to write. I was waiting to go to Mexico and come back to include this trip in our prayer letter. We Love you in the Lord.
