

# Merry Christmas

4<sup>th</sup> Quarter Report for 2021

Dear Partners in Faith and Ministry,

Christine and I wish each of you a very Happy Christmas and a Fruitful New Year in 2022.

We hope this finds all of you in good health and free of COVID. God has been very good to spare us so far. Our hearts and prayers go out to all who may be going through this pandemic during this special season.

It is with great joy and anticipation we can share with you who have been praying with us and for us that our very best Christmas present arrived this week. I received my passport back from the Papua New Guinea consulate in Washington with our visa and work permit sealed in our passport. We are still praying they will relax their mandatory 21 day quarantine when entering PNG and that Australia will allow passengers to go through their airports. Please keep praying. We hope to be able to travel there in February of next year as their "summer" break is December and January. There is still much to be done, and we are anxious to begin again to complete the project that so many of you have supported. Please pray with us as we resume the PNG Bible Distribution Project. Also be praying for continued good health for Brother Alan Brooks and me during this time. We have both battled with health issues recently.

Our Market Witness ministry has continued as weather here permits. It has been a joy to see our prayers answered this year with the addition of a Spanish speaking missionary who has joined the ARM ministries also. We go if we possibly can as there always seems to be people coming to the Flea Market. We have had seven young adults and one 12-year-old saved so far this quarter, praise the Lord! I continue to be amazed to watch the Holy Spirit draw people of all ages to the Lord Jesus Christ. Silent Word Ministries has produced this card with a QR code to take people to a very good Gospel tract.

We intend to get as many of these out as possible before Christmas. You can order these and other soul winning tracts at [SilentWord.org](http://SilentWord.org). Have a great Christmas, and don't forget that "Jesus is the Reason for the Season." Thank you for your faithfulness to us and the Lord.
