Prayer Letter – August 2019

Many years ago, God graciously connected me to several wonderful pastors on the west coast. Dr. Larry Obero (California), Dr. Rick Adams and Dr. Bob Gass (Oregon), and Dr. Mike Kinney (Washington). Through these good men, and others, I have been able to build relationships with many younger pastors and church planters! In fact, most of this month I will be in Oregon serving with Pastor Shawn Hartsell, Matthew Gass and Lloyd Read. I will be preaching in their churches, and spending time with each one, hoping to be a help and encouragement as needed. Everyday I praise the Lord for such an opportunity! Below is an update on a wonderful young church planter in Washington.

▪ **Pastor Lawrence Morris – Renton, WA**

I have known Bro. Morris for a few years and have preached for him and spent much time with him. In fact, I was blessed to preach his first missions conference last year! Recently I had a long conversation with Lawrence and rejoiced with the good report he shared of souls being saved and the growth of the church. One awesome blessing is that his sweet wife Catrina is expecting their first baby, due in December! Please pray for this family and for Lighthouse Baptist Church.

In Him,
Charles T. Shoemaker
President
