### Prayer Letter – February 2021

As so many churches across the country, my home church is recovering from the effects of COVID-19. My pastor (and son-in-law) cast a vision to our church to reach more lost souls for Jesus Christ. He asked me to begin a three-week challenge by preaching on that subject to our congregation, on the first of those three Sundays. God blessed with many members praying at the altar for God's power and blessing to do just that! In this desperate world, God's people must be desperate to see souls saved!

I had a great meeting in Sylva, North Carolina with a wonderful young pastor. I spoke seven times in three days, and God richly blessed!

I finished February by preaching for my good friend, Dr. Dewayne Jowers. I spoke to his Sunday school teachers during a Saturday training session, and preached all day Sunday.

In March, I depart for three weeks to Oregon. Please pray for me.

In Him,  
Charles T. Shoemaker  
President
