Prayer Letter – May 2022

After returning from a very fruitful trip to Washington and Oregon, I was excited to be with Pastor Ralph Flowers of the Regency Baptist Temple in Jacksonville. The occasion was the church's 70th anniversary! We had a full day: wonderful testimonies during the Sunday school hour; I preached the morning service; dinner on the grounds; and then I preached during the evening (afternoon) service.

Two special blessings from my visit to Regency: One, I was able to spend time with Pastor Garry Martin, who was called to preach at Regency, and now serves as the Pastor of the third church Sharon and I founded back in 1981. He extended an invitation for me to preach there again in the near future; I'm looking forward to doing so.

The second blessing was connecting with a man, Pete, who was saved at Regency during my previous visit, a few years ago. Also, to talk with another man whose life was turned around when I spoke back in 2009 for the church's Men's Retreat. Great blessings; It's a joy to serve Jesus!

In Him,
Charles T. Shoemaker
President
