REPORT FOR JUNE AND JULY 2020

Dear Praying Friends,

Almost every prayer letter I read begins with a paragraph about COVID-19. It has been amazing to see how the virus has affected ministries around the world. Nonetheless, God has done some wonderful things in the midst of the pandemic. Many people have been reached and/or saved as a direct result of the virus.

Our ministry has also been affected by the Coronavirus. In our June and July update, I usually report on Candidate School, Enrichment Week, and Camp BIMI. However, it has been necessary to modify each of these events. Candidate School was rescheduled from the beginning of June to the end of July and then had to be postponed until December. Enrichment Week was changed to a virtual platform, which took considerable effort. Camp BIMI was supposed to take place the last week of June but was rescheduled until the third week of August. However, just this week we had to cancel Camp BIMI 2020. Postponing, modifying, and/or cancelling these summertime events has created a great deal of additional work. It has been very disappointing to modify or cancel these activities but we are trusting God to do some great things despite the changes in our calendar.

The second week of June, I was privileged to preach via Zoom during a missions conference in Illinois. I was also able to preach (in person) during a Wednesday night church service in Tennessee. As we look to the future, I have a good number of meetings scheduled for this fall, which I pray will not need to be cancelled because of the pandemic—or because of any other reason. Please pray with us about this request.

In the midst of all that is going on in the world, our family is happy to announce that our son Kyle was engaged to a sweet young lady named Anna Mims on July 20. Barb and I are looking forward to having another daughter-in-law. Please pray for Kyle and Anna as they plan their January wedding and as they determine the Lord's will concerning the ministry where God would have them to serve full-time.

Once again, we want to express our sincere appreciation for your faithful support of our family and ministry. Thank you for the privilege of representing you in worldwide missions during these unusual days in which we are living. May the LORD richly bless you!

In Christ,

David & Barb Snyder
