

REPORT FOR JUNE AND JULY 2021

Dear Praying Friends,

I trust this letter finds you doing well and enjoying the blessings of the Lord. This summer has been an amazing time of experiencing the Lord's blessings on our ministry. Because we had to cancel most of our 2020 summertime activities due to the pandemic, our 2021 activities were made even sweeter.

First, we held our **Annual Board of Trustees' Meeting** and **Candidate School** the first week of June. There were 57 candidates here during the week and the Lord gave us a wonderful time together. As always, it was great to hear the testimonies of the new missionaries about how God had saved them and called them into full-time missionary service. Please pray for these missionaries as they raise their support. COVID-19 has not made deputation easier; however, many of our missionaries are still raising their support in about two years.

Next, we held **Camp BIM I** the last week of June. God gave us an amazing group of 38 students ranging from 16 to 65 years of age. Each one who attended had an extremely high interest in missions and maintained an excellent attitude for the entire week. Some have given testimony that God used Camp BIM I 2021 to confirm that the Holy Spirit has called them to full-time missionary service. Please pray each student will follow the Lord's will concerning how they fit in missions.

The third major activity that was held at the World Missions Center was **Enrichment Week**. The Lord allowed us to minister to eight missionary families, which included 16 teenagers and 6 youths. This special week is sponsored by local churches and individuals who give for the purpose of encouraging and enriching missionary families who are on furlough. It was especially fun to see the young people enjoy a water slide, white water rafting trip, and the many other activities that were planned for them.

Once again, we want to express our sincere appreciation for your faithful support of our family and ministry. Thank you for the privilege of representing you in worldwide missions during these unusual days in which we are living. May the LORD richly bless you!

In Christ,

David & Barb
