## REPORT FOR APRIL AND MAY 2021

Dear Praying Friends,

It is a joy to write to you after we have had many opportunities to serve the Lord on your behalf during the past two months.

Although our April and May schedule has not been typical for us, we have been much busier than normal.

As I mentioned in our last letter, we closed out the month of March with our annual *Action Conference for World Evangelization*. The Lord gave us a wonderful meeting that I believe was very profitable. In April, we had a missions conference in Pennsylvania where we saw the Faith Promise commitments exceed the goal that was set. Praise the Lord!

The greatest majority of our time has been spent at BIMI's World Missions Center. Barb has been busy updating/decorating the first floor of the building. I have been preparing for our summertime activities. Each activity takes a tremendous amount of preparation. The Annual Trustees' Meeting and Camp BIMI require the greatest amount of my time. We are praying and planning for in-person, on-campus activities without a great deal of interruption from COVID. After almost all of our 2020 activities had to be cancelled or modified, I am looking forward to a more "normal" schedule this year.

We are thankful for the family God has given us and for how He is working in our lives. Caleb and Jenna have moved to Indiana to work full-time with Good News Ministries. They will be ministering year-round at a home for troubled teen boys. Kyle and Anna will finish a residency program at our local church in June, and they plan to move to Gray, Tennessee, to join the pastoral staff of Buffalo Ridge Baptist Church in July. Also, Anna's graduation from West Coast Baptist College on May 3<sup>rd</sup> was a major highlight and blessing for our family.

Thank you for your faithful prayer and financial support—especially during these unusual days. It is truly an honor to represent you in worldwide missions. May the LORD richly bless you!

In Christ,  
*David & Barb*
