## REPORT FOR AUGUST AND SEPTEMBER 2022

Dear Praying Friends,

We trust this letter finds you doing well and enjoying some of the fruits of this harvest season. We are glad to say that our BIMI summertime activities have yielded spiritual fruit. As one of our supporters, this is fruit that abounds to your account. Thank you for your faithfulness to our family and ministry.

We held our Annual BIMI Directors' Meeting during the second week of August. It was good to be together and to hear reports regarding what God is doing around the world through our missionaries. Although some reports indicated that certain aspects of missions have been hindered by the pandemic and other world events, it was encouraging to learn that there was not a tremendous change in most areas of missions. Souls are still being saved, new believers are still being baptized, discipleship is still being conducted, and churches are still being started—Praise the Lord!

During the past two months, the Lord allowed us to preach and/or represent BIMI in 13 different churches in 6 different states. One of those meetings was the Mid-Year Missions Emphasis Sunday at our sending church, Great Hope Baptist Church, in Chesapeake, Virginia. We are extremely thankful for the sending church God has given us and it is always an honor to be with them. The next two months will be filled with missions conferences and missions meetings. Please pray that God will use us to see many souls saved. Also, pray particularly that many Christians will surrender to full-time missionary service. It seems that many Christians are being *sidetracked* by the manifold problems around the world and are not *surrendering* to the desperate need for missionary laborers.

We are eternally grateful for your faithful prayer and financial support and count it a tremendous honor to represent you in worldwide missions. God is using you in a very special way in our lives and ministry and we are sincerely thankful. May the LORD richly bless you!

In Christ,
