September 2019

We are **praising the Lord for another fruitful summer** here in Paju, Korea! The weather was much milder than last year. The Lord granted us **another season of busy church work**. We were able to host another intern from Canada which was a great blessing to us. We have also continued to hold church work days to settle into the new building location with our church family.

Brandon has been preaching on a steady series of "Grace Giving" for Mars Hill Baptist. We continue to pray that the Lord would grow our church family to **liberally give for global missions** and mirror the Macedonian church.

Brandon continues to faithfully hold Tuesday night Bible studies for twelve Korean government workers since the past year. Most have never heard the gospel. A handful of them did make a visit to Mars Hill Baptist a few months ago and **one trusted Christ as Saviour**; how we praise the Lord for this one precious soul!

On the home front, Rose continually stays busy homeschooling our three girls. **Lauren begins her 11th grade** this fall, and feels a calling from the Lord to study medicine in the future.

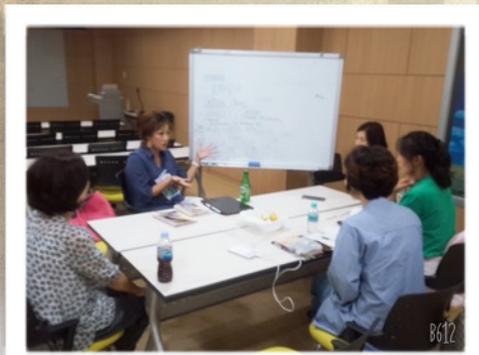

She stays very involved with music in church.

Playing violin/piano solos, offertories, leading orchestra

rehearsals, and teaching children.

**Lyndsy is entering the 7th grade** and loves her math and science classes. She is picking up opportunities to play the piano for church this year. She faithfully prepares the Matza every month for our Lord's Table. **Lilyanne began her 1st grade** last spring, but apparently does not see the need to

continue for this fall. Well, her little 6 year old perspective has been challenged and she is *diligently* back in school! She is gearing up for her very first violin competition and is loving every minute of playing for church orchestra and offertories.

Rose jumped right back into her **ladies' outreach ministry** again for the fall season this week. Please pray for her as many ladies have **expressed desires to**

**know about the Lord** she is serving. She is asked almost every day regarding homeschool and is able to use it as a tool to **connect the conversation to Christ**. Please pray these outreach efforts will bear fruit for the Lord!

We are thankful that the Lord also allowed us a short period of some summer respite for our family where we were **able to connect with each other as a family**. Being in full-time ministry on the mission field can sometimes blind and bind us from our family's immediate needs. However, we are very blessed to be able to minister and serve the Lord here with our family.

All of this would not be possible if we did not have such **prayer partners like you** that are so constantly and faithfully praying for this work and for our family.
