## Missionaries to Honduras

Sending Church: Faith Baptist Church, 5714 29th St. NE, Tacoma, WA 98422

August 2022

### New Member of our Team

Our goal as parents is to raise our children to thrive in a world that opposes God. If our children love God when they are of the age to leave our home, then we count it as a great victory. Our oldest, Audrey, has now chosen to follow our steps and join us on the mission field in full-time service. She will be heading up the Bethlehem Spanish Language Institute that is being founded for new missionaries as a place for them to learn Spanish in a local church environment. She will also be serving in the public school outreach ministry, and as a teacher in the Bethlehem Baptist Seminary!

### Pastors Training Week

We hosted the annual Pastors Training Week for the first time at the Faith Baptist International Training Center as the conference has outgrown the church facilities in Danli! Joining us were 160 pastors from all of Central America, Mexico and the US as we tried out the new facilities! We distributed nearly 100,000 Gospel tracts, 10,000 New Testaments, hundreds of whole Bibles and many other materials to these men of God. We have also seen God use these training times to help grow local church ministries across Latin America.

### Fall Semester

The Bible College is about ready to see its first graduation at the end of the fall semester. It has been four years since stepping out by faith to start this full-time institution. Five young people are endeavoring to finish strong during this last section of study. Please pray for the new students who have committed to train for the ministry with us! If you would like to help sponsor a student who comes from a low-income family, please contact us. It costs \$100 per student per month for food, housing, and study materials.

### Please Pray for the Following:

1. The many saved since our last prayer letter.
2. For growth for the churches that have been started.
3. For the 12 seminary students to remain fervent for the Lord.
4. Please pray for the finances to finish construction of our house.
5. Please pray for our two oldest boys, Jordan and Joey, as they continue their studies in Bible college.

Thank you for your prayers,
