Virus and the Ministry

My family and I contracted a light case of the virus that left us quarantined for several weeks. We eventually were forced to suspend in person services in the city of Danli as Pastor Josue and his entire family fell ill with the virus. We are now coming out of this phase and have resumed in person services. We were still able to continue to distribute aid to those affected by the recent storms.

Starting a New Church

The Gospel is still not quarantined even though we are under heavy restrictions in Honduras. One of our faithful families in Danli has been seeking the Lord's direction for a neighboring town, San Matias. On January 10, 2021, they were sent out of Bethlehem Baptist Church for the purpose of starting the Harmony Baptist Church in San Matias!

Institute Starts in Person

We are just days away from holding in person classes in the full time Bible Institute. We are trusting the Lord that we will be able to continue to train future pastors, evangelists and missionaries in an in-person environment.

Prayer Requests and Praises:

1. Pray for the many saved during the past few months.
2. Pray for an increase in the students attending the Bible Institute.
3. Pray for the works in Danli, Los Robles, El Paraiso, Ojojona, El Ocomupe, San Matias, and La Esperanza
4. Pray for the United States phase in the adoption of the twins.

Thank you for your prayers,
