Furlough Continues

The past few weeks have been full of travel and spending Christmas back at our sending church. December was a busy month as we traveled through Louisiana, Mississippi, Tennessee, Arkansas, Missouri, Utah, Montana, Washington, and Oregon. Since September of 2023, we have visited approximately 25 states. It has been a joy to meet those who have been supporting us for the past 20 years.

Fund Raising for Bethlehem Baptist Seminary Buildings

Our focus, as we have been traveling these past few months, has been the need for a new educational building on the conference center property. The current facilities at the conference center do not have any areas for classrooms or adequate dorm rooms. The plans have been drawn up for a two-story building that will house both men's and women's dorms, dorm parents' housing, and classrooms. The estimated cost of the project is \$240,000 US. We have raised \$32,000 since the beginning of our furlough. We are praying that God provides the rest of the needed funding so we can begin construction when we return to Honduras.

New Account Set Up

Many have asked how they might support the seminary or sponsor a student. After a conversation with those at BIMI, we were able to establish a special account where support can be sent. It would be sent to:

Bethlehem Baptist Seminary

The college year is soon to begin in Honduras. We have the potential for a few new students from different parts of Honduras! Please pray for these students as they arrive and begin their studies. Pray that God will use them in mighty ways.

Please Pray for the Following:

1. The souls saved since our last prayer letter.
2. For growth for the 10 churches that have been started.
3. For Walter Enrique Miranda as he raises support to start a new church in the city of Catacamas.
3. For the finances to obtain a 15-20 passenger van to transport the students.
4. For the finances to build classrooms on the conference center property for the Bible college. Praise the Lord for the \$32,000 already given towards this project.
