June 2022

New Decade of Ministry

We rejoice in the work the Lord has done in Danli at Bethlehem Baptist Church. The first week in May, the church celebrated their tenth anniversary. Many of the works we have helped start over the years came into town for the celebration. The local police sent a group of officials to help celebrate and brought bounce houses and candy for the children. Over 300 came out to hear the Gospel preached and share the afternoon of fellowship!

New Graduates

This past month, our daughter, Audrey, graduated from West Coast Baptist College! It was a joy to have the whole family present as well as our sending pastor, Mark Smith, and some of the pastoral staff from Faith Baptist Church. Our third son, Joseph, will graduate high school on June 10th from Faith Baptist Christian Academy in Tacoma, Washington.

New Citizens

Many of you know that we have been praying for some time to be able to get the twins' permission to come to the US. A few weeks prior to our daughter's graduation, they were granted visitors visas to come to the States for a citizenship hearing. We traveled to Charlotte, North Carolina, for the hearing where on May 31 they officially became US citizens!

Next Conference

With COVID restrictions starting to diminish, this year we are restarting the Pastoral Training Conference at the Faith Baptist International Training Center! This year will be the first full-capacity use of this facility. We still need about \$5,000 to finish making the necessary improvements to the buildings to accommodate the pastors visiting from all Central America!

Please Pray for the Following:

1. The many saved since our last prayer letter.
2. For growth for the churches that have been started.
3. For the 12 seminary students to remain fervent for the Lord.
4. Please pray for the finances to finish construction of our house.
5. Please pray for the \$5,000 needed to prepare for the Pastors Training Week.

Thank you for your prayers,
